Dear Associates,

The OLMA would like to take this time to thank current members for their renewed support of the OLMA and the Ontario lumber industry as a whole. Becoming an Associate Member allows you to play a large part in supporting the success of our industry. To assist you further, the OLMA has been growing to serve it's members even better. Over the next few months, we will continue to further our online presence to provide enhanced tools to connect customers to you and you back to the industry.

As we work on these changes, we will also be updating our fee structure for Associate Members. As a renewed supporter of the OLMA, all existing members will be offered their **first year of membership for 50% of the regular rate** to thank you for your support. Please take the time to **fill out and submit the attached PDF** back to us at [info@olma.ca](mailto:info@olma.ca) so we can make sure your online profile is up to date.

As an Associate Member of the OLMA, you gain unique access to the lumber industry and these important benefits.

#### CONNECTION TO THE INDUSTRY

Associate Membership aligns with the interests of the lumber industry; showing your clients and prospective clients that you offer products and services tailored to the lumber industry.

#### INDUSTRY NEWS

Being a part of the OLMA cluster is about more than positioning, it is also about knowledge. Our network gives you access to industry news that can be used to further your growth opportunities in the lumber industry.

#### ONLINE PRESENCE

The OLMA's online presence has continued to grow with full listings for members and associate members alike. Easy sorting tools and search engine optimized development, means that your business will be found online through your association with the OLMA.

#### TRIMMED RATES

For any seminar, short grading course, full grading course and/or grade assignment, Associate Members will get a preferred reduce rate of fee for services.

#### A TRUSTED NAME

Finally, the OLMA has been a trusted name in the lumber industry for nearly 50 years as the accreditation agency of choice for fine lumber manufacturers throughout Ontario. As an Associate Member, you are joining the ranks of the best in lumber since 1966.
